

U-229.U-183 Type Waterproof Withstand Vibration Connectors

This series of connectors are suitable for connecting cables and radio equipments for all kinds of military and civil radios and oil detectors .The main properties match the specification of MIL-C-55116B.

PRODUCT EXAMPLES

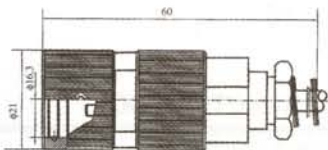

U-229

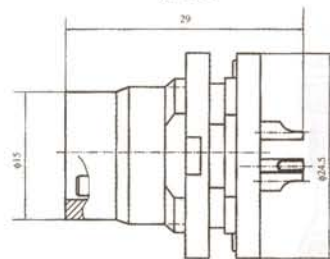

U-183

u-229

u-183

Environmental Condition

Temp range	-65 ~ + 125°C
RH	95%,+40°C
Vibration	150m/S ² ,10 ~ 55HZ

TECHNICAL CHARACTERISTIC

Working voltage	60V
Working current	0.5A
Contact resistance	≦ 0.02Ω
Insulation resistance	≧ 1000MΩ
Durability	1000Cycles
